OFFICE BUILDING / FOR SALE

PROPERTY OVERVIEW

Located in the SOSA/Midtown area of Oklahoma City with convenient access to downtown, this fully remodeled two-story property is zoned DTD-1 for commercial use. Each floor includes a kitchenette, with optional separate entrances for flexibility. The upstairs is designed for loft-style living or office space, while the split-level downstairs can serve as office or retail space. The property also offers private gated parking with access to public street parking, making it a functional and versatile choice for commercial use in a prime location.
